Yeah, Frontline up in this motha fucka man
Now, I love Bay nigga to the heart but
I gotta rep the Rich man

[Chorus]

Take a glance when you can and just look at us
You will see two niggas who will not back down
No matter where we go or where we stay
Any state motherfucker we rap that Richtown
Hate all day cause we from the Yay
Understand that the new Bay will attack now
Frontline all day everyday
Get it right cocksucker them boys is back now

[Locksmith]

The new Bay is us
And most niggas know my name
But they rather hold us back then slow my rain
Cause they never took the time to know my aim
If you understood my rhymes you know my pain
If you from the hood how could you show no shame
By hatin on all shit for your own gain
It's like a constant roadtrip no home games
They don't respect the Rich but shit gon change
If you don't feel us put it like this man
If the words don't work maybe my fist can
I don't wanna feel the steal from a wristband
But it's only so much one man could withstand
So when you layin in this land of feeble
Don't bite the hand of the man that feeds you
You niggas act like you can't feel heat too
So make me mad and imma have to eat you

[Chorus]

Take a glance when you can and just look at us
You will see two niggas who will not back down
No matter where we go or where we stay
Any state motherfucker we rap that Richtown
Hate all day cause we from the Yay
Understand that the new Bay will attack now

Frontline all day everyday
Get it right cocksucker them boys is back now

Yeah nigga I was born in the hood and thats where i'll
die
From the Southside of Richmond where the bullets fly
Where you gotta buy bars for your windows at night
And the feins trade they kids for a hit of the pipe
All livin killers come in all shapes size and sexes
Gangsta bitches put bullet holes in your Lexus
Hell yeah it's crazy but fuck it, it's home to me
Parkchester Village to the CPV and we
All got funk with eachother
When it comes to the comedown you know that we'll kill
for eachother
Every nigga on the scene probably played on the same
football team
Richmond stealers to Richmond killers
Only real niggas can feel us thats why we well known
Half the niggas runnin the streets are in the jail gone
All about hustle here earn your respect
Where dealers buy keys of coke with they safeway
check, Yes

[Chorus]

Take a glance when you can and just look at us
You will see two niggas who will not back down
No matter where we go or where we stay
Any state motherfucker we rap that Richtown
Hate all day cause we from the Yay
Understand that the new Bay will attack now
Frontline all day everyday
Get it right cocksucker them boys is back now

Like I said man we from the Rich
We proud of where we from
Like you should be proud of where you from
Let us rep our shit you rep yall shit
And we'll keep it peaceful man
Richmond, All day Frontline
