Woke up this morning, thinking about you,  
Night creeping, it's all that I could do.  
Talked till \_\_\_ about someone whose situation \_\_\_ then I  
start singing,  
Baby, my heart's breakin', don't cry, that's not the thing  
to do.  
I'd rather be lonely \_\_\_ In the mornin' sleep sun comes  
shine baby,  
Thanked by you and the bells start ringing and though  
you love me, 'cause  
You made me believe you if you don't take up your \_\_\_  
Your good thing's gonna leave, you're gonna cry, baby,  
That's not the thing to do, I'd rather be lonely,  
But start singing girl, you got me jumpin' o pretty  
mama,  
But just what you're doing \_\_\_ any case I really can't  
say, my mind is reelin',  
I got the craziest feeling, sweet baby,  
Whatever you're doin', you do it the right way,  
Whatever you're doin', that's all right with me.  
Say believin', that doesn't sound right with me baby, I  
will cry,  
I just wanted you to be happy, but can't you see girl \_\_\_  
Every little once in a while, I'm gonna catch an old  
freight train.  
And grab me a \_\_\_ you're \_\_\_ that's what you're gonna  
do, I'd rather be lonely.  
My heart is jumpin' girl, you stared somethin' inside of  
me,  
I don't know what it is, I just can't say, my mind is  
reelin',  
I got the craziest feelin' inside of me,  
Whatever you're doing, you do it the right way,  
Whatever you're doin', that's all right with me.  
So uptight I love you \_\_\_ girl, I tried to love you, but I  
can't do nothin' right.  
You know I love you, you're my sweet lovin' baby, have  
a little \_\_\_  
You're drivin' me crazy, makin' me cry, that's not the  
thing to do,  
I'd rather be lonely ... It is hard ...

I'll tell you, baby, you trie
