I walked 47 miles of barbed wire
I wear a cobra snake for a necktie
I got a brand new house by the road side
Made out of rattlesnake hide
Got a big chimney way on top made from a human
skull
Come on take a little walk with me
Ah, who do you love, who do you love
Who do you love, who do you love, yeah who do you
love?

Come on Eileen, take me by my hand
And let me know that you'd understand
That who do you love, who do you love
Who do you love, who do you love?

Ninety-nine times on the midnight train
Through the fire and cold of rain
Who do you love, who do you love
Who do you love, who do you love?

A graveyard hand and a tombstone mind
Just twenty-two and I, I don't mind dying
Who do you love, who do you love
Who do you love, who who who who?
