She's a smart talker,
That's what they say.
You're playing with fire.
You'll get burned someday.
I can't stand the rumour
Spread all around,
Cause she keeps me dancing,
Can't hold my feet on the ground.

Bridge
It feels like heaven.

Chorus
She's my little angel
Fallen from the sky.
She's my little angel
From the sky.

She leads me over the rainbow,
There where time stands still.
Only once in a lifetime
You go through such a thrill.

She's my well in the desert.
She's my haven for ever more.
Together we'll manage anything.
We'll reach that distant shore.

Bridge
It feels like heaven.

Chorus
She's my little angel
Fallen from the sky.
She's my little angel
From the sky.

Guitar solo

Bridge
It feels like heaven.

Chorus
She's my little angel
Fallen from the sky.
She's my little angel
From the sky.
