"Red Light Zone"

She got off
A crowded train,
Searched her way
Through the pouring rain.
Tried to find a job
In the factory,
But they said
There's no vacancy.

Chorus
Red, red light zone.
Abandoned, so alone.
A wanderer, without a home.

Each day,
She tried to survive
And to keep
Her dream alive.
On the street,
She fell asleep,
But no one
Saw her weep.

Chorus
Red, red light zone.
Abandoned, so alone.
A wanderer without a home.

It was written
On her face.
She felt
Out of place.
Her life
Was complicated.
She resigned
To her fate.

Guitar solo

Red, red light zone.
Abandoned, so alone.

Red, red light zone.
Abandoned, so alone.
A wanderer without a home
