No I will not sit back and watch the stars  
My gravestone remains desolate within the sands  
I've seen death launch itself over these blackened  
skies  
So this time turn your head to make it out alive

No I'm not chasing cars tonight, tonight.  
No I'm not chasing you this time.

I am the grounded art  
For those stripped of heart  
We can fight this fleet  
But I am at your feet

But if we kill the light  
with the darker side  
of this manner

(But if we kill the light  
with the darker side  
of this manner)

You'd be alone forever  
But I'd be something that mattered  
You'd be alone forever  
But I'd be something that mattered

So I'm not chasing cars tonight, tonight.  
No I'm not chasing you this time.

I am the grounded art  
For those stripped of heart  
We can fight this fleet  
But I am at your feet

I am  
For those  
We can  
But I am  
I am  
For those

We can  
But I am at your feet
