Cut the edge of the earth
Cut the edge of the earth
So we can breathe free of demand
Cut the edge of the earth
Cut the edge of the earth
So we can see between the lions and the sheep
No we won't give in
No we won't take this
Fire fight for the blind
Treachery is the game
You will play with the
Pawns of the earth starved for what they're worth

Cut the cord from the sky
Cut the cord from the rest of the world
Cut the cord from the sky
Cut the cord from the rest of the world
Cut the cord from the sky
Cut the cord from the rest of the world
Cut the cord from the sky
Cut the cord from the sky
Cut the cord from the sky

We will hunt them
We will hunt them
We will hunt them
We will hunt them
Baby I am your outlaw
