Anti All

Against society and her filthy mechanism
That humiliates and suffocates the better part of me
Against humanity and it's disgusting nature
That transforms me every day more into a bastard
animal

ANTI HUMAN, ANTI LIFE
ANTI YOU, ANTI ALL!
ANTI EARTH, ANTI LOVE
ANTI ME, ANTI ALL!

Against relationships and all that is behind them

That increases my insecurity and an insane hate for me
Against your love and smile that will became a knife in
My back
The moment you will discover that I hate you

ANTI HUMAN, ANTI LIFE
ANTI YOU, ANTI ALL!
ANTI PEACE! HOLOCAUST!
DEATH TO WORLD! FUCK YOU ALL!
