You know lately
Iâ€™ve been thinking about
How this complication
Hasnâ€™t turned around
But I
Already know

That itâ€™s hard to try
And fight that flow
And I havenâ€™t been true
Every second I know but
Just hold on

And I will walk away
Go right to the door
Because it doesnâ€™t pay
To care anymore

Chorus
Another way for me
To occupy this time and space
Another way for you
To resurrect the pain
Iâ€™m still waiting for
The whole world to see
That Iâ€™m not afraid
In another place
I wonâ€™t seem to be lost
In the wake

You know itâ€™s funny how
This life seems to be
And actually, suddenly
It couldnâ€™t be a
Waste of time

That itâ€™s hard to try
And fight that flow
And I havenâ€™t been true
Every second I know but
Just hold on

Â'Cause I will walk away
And go straight to the door
Because it doesnÂ't pay
To care anymore

Chorus

IÂ'm still waiting for
The whole world to see
That itÂ's not my fault
That it appears to be
And IÂ'm still waiting for
The whole world to see
That itÂ's not my fault
That itÂ's all fucked anyway
IÂ'm still waiting for
The whole world to be lost
In the wake
In another place
I wonÂ't seem to be lost
In the wake
