I will now rise from the ashes
Dont call me pretentious
Im sitting here making my own rules
and if i fall from the ceiling
you'll be down there waiting
finish me.

I call you on the phone
You tell me why arent u hitting me
why arent u hitting me
But i dont feel the change
the aftershock and the stinging eyes
and i realize all that i have done

I will now rise from the ashes
dont call me pretentious
im sitting here making my own rules
and if i fall from the ceiling
you'll be down there waiting to
finish me.

Try and feel the flame
the fire inside is burning you
its burning me

but everytime before that i
tried to measure pain inside
you cant ignore it
right now you cant ignore me

I will now rise from the ashes
dont call me pretentious
im sitting here making my own rules
and if i fall from the ceiling
you'll be down there waiting to
finish me.

(It's settling Inside of me.
its settling of me. inside of me
I'll take my heart and rip my feelings out
before you make me doubt
my existence

as your wanting
but love will cross that bridge when i come out
with all these flames burning alive again
as long as you know that...

I will now rise from the ashes
dont call me pretentious
im sitting here making my own rules
and if i fall from the ceiling
you'll be down there waiting to
finish me.
