I never wanna be part of the herd,
I guess I was in case you haven't heard
Maybe you can tell that I can't stand
the way I want to be the included
I always want to be a mystery,
I always knew that 2 and 2 made three
I wish away the time I'm living in,
I never wanna see a smile again

It's not for sure
and I'm feeling
Like it's not for sure
Come on and take a drink with me
I don't think you can cope with it
I don't think you can handle it
Forgive my un-forgetfulness,
and take a drink with me

I wanted to be 2 but more than one
I only thought that I could be so dumb
Crush my heart with your new heels
I would beg for you but I don't kneel
I understand that you were living there
It never bothered me that I don't care
I wonder if I'll act on my impulse
I wonder if I'll leave when you say go

It's not for sure
and I'm feeling
Like it's not for sure
Come on and take a drink with me
I don't think you can cope with it
I don't think you can handle it
Forgive my un-forgetfulness,
and take a drink with me.

(Come on just take a drink with me)
If it's all you can take then I'll be okay
If it's all I can take then just pull me away...

But it's not for sure
and I'm feeling

Like it's not for sure
Come on and take a drink with me
I don't think you can cope with it
I don't think you can handle it
Forgive my un-forgetfulness,
and take a drink with me.

I never wanna be part of the herd
I guess I was in case you haven't heard
I wanna spend some time to make you see
so why not come and take a drink with me.
