I'm feeling mixed up
A little bit confused
When everything is left unsaid
I'm feeling left out
A little bit concerned
I'll play it out in my head

But I'm still afraid
That you haven't changed
(Give me a reason)
(To pull off your tshirt)
But I'm still ok
And I don't know why
(Tell me your secret)
(I won't tell your boyfriend now)
When you say that

[Chorus]
You're mixing me up now
You're pulling my teeth out
You're wishing my arguments away
I'll follow directions
I'll stick to your reasons
This isn't the season to go running away

Oh oh oh oh, Oh oh oh oh, Oh oh oh oh, oh

I'll leave you untouched
I never understood
I never questioned why you came
I want to hit it up
But you're still in charge
I know you'll be back one day

But I'm still afraid
That you haven't changed
(Give me a reason)
(To pull off your tshirt)
But I'm still ok
And I don't know why
(Tell me your secret)
(I won't tell your boyfriend now)

When you say that
You don't need me to feel

[Chorus]
But you don't understand
You don't
But you don't understand
You don't
But you don't understand
(I can't tell you how to)
You don't
(Feel when)
But you don't understand
(I'm on the outside and)
You don't
(You're all in)

[Chorus]
Whoa oh oh oh, whoa oh oh oh
Whoa oh oh oh, whoa oh oh oh
Whoa oh oh oh, whoa oh oh oh
You don't understand
