Lying in my bed I hear the clock tick
And think of you
Caught up in circles confusion
Is nothing new
You say go slow
I fall behind
The 2nd hand unwinds

If you're lost you can look
And you will find me
Time after time
If you fall I will catch you
I'll be waiting
Time after time
Time after time
Time after time

Sometimes you picture me
I'm walking too far ahead
You're calling to me, I can't hear
Just what you've said
You say go slow
I fall behind
The second hand unwinds

If you're lost you can look
And you will find me
Time after time
If you fall I will catch you
I'll be waiting
Time after time

After my picture fades and darkness has
Turned to gray
Watching through windows you're wondering
If I'm ok
Then you say go slow
I fall behind
The drumbeats out of time

If you're lost you can look
And you will find me

Time after time
If you fall I will catch you
I'll be waiting
Time after time

If you're lost you can look
And you will find me
Time after time
If you fall I will catch you
I'll be waiting
Time after time

Time after time
Time after time
