Here I go again sayin' goodbye to all of my friends,  
But they all say when we gonna get to see you?  
I don't know when it's all gonna end,  
Could somebody here comprehend,  
Because I'm gettin' sick and tired of not bein' around to  
be with you,

You know I ain't gone long, and though it feels like a  
lifetime, we'll get through.  
When you're gettin' sick and tired of livin' on the bread  
line, anything will do.  
But I can't go for long without comin' home to be with  
you,  
Because you just don't know, don't know, oh, oh,  
I said you just don't know, ooh, oh, oh, woah,  
You just don't know, how hard it is to not be by your  
side,  
Every night, I guess it's easier if you try.

Here I go again, get in my car drivin' miles on end,  
And I can't begin to bear it anymore than you can.  
And I don't know how much more I can take, before my  
bones begin to break,  
But if you stick and a keep with it I'll become a better  
man now.

You know I ain't gone long, and though it feels like a  
lifetime, we'll get through.  
When you're gettin' sick and tired of livin' on the bread  
line, anything will do.  
But I can't go for long without comin' home to be with  
you,  
Because you just don't know, oh, oh,  
I said you just don't know, ooh, oh, oh, woah,  
You just don't know, how hard it is to not be by your  
side,  
Every night, I guess it's easier if you try.

But I don't know if I can take this,  
But I guess I will get by,  
All I really wanna do is try to get myself right on

through this,  
And take control of my own life, my life  
Take control of my own life.

You know I ain't gone long, and though it feels like a  
lifetime, we'll get through.  
When you're gettin' sick and tired of livin' on the bread  
line, anything will do.  
But I can't go for long without comin' home to be with  
you,  
Because you just don't know, oh, oh,  
I said you just don't know ooh, oh, oh, woah,  
You just don't know, how hard it is to not be by your  
side,  
Every night, I guess it's easier if you try.
