i was so scared of everything you put
in front of me
I've been archin' every part of me
Just to see why you need me to be the boy
You need me to be

Amazing grace how sweet the sound

I once was lost, but now I'm found
Was blind but now I see

I just wanna see

I'm the type of person who lets fear drive
I'm the type of guy who lets it drive

I'm lost without you
I need you, I need you

Amazing grace how sweet the sound
That saved a wretch like me
I once was lost but now I'm found
Was blind but now I see
