With our hands up high, we're screamin'
Woah, woah oh
Woah, woah oh

I'm not afraid to make big mistakes.
I'm not afraid to fall flat on my face.
I need to get this looked at.
Need to get this looked at.
I need some time to think about what I've done.

One last thing before I go.
With our hands up high we're screamin'
Woah, woah oh
Woah, woah oh.
And with our feet we stomp a cadence for you.

It's all free and that's real.
It's all free, you said.
I need to accept.
I need to forget, I guess.
I'm glad I got this looked at.
Finally got this looked at.
I'm so glad you came for me.

Get this, get this right before we go.
With our hands up high we're screamin'
Woah, woah oh
Woah, woah oh.
And with our feet we stomp a cadence for you.
With our hands up high we're screamin'
Woah, woah oh
Woah, woah oh.
And with our feet we stomp a cadence for you.

I am the one who needs you.
I am the one who needs you.
I am the one who needs you.

With our hands up high we're screamin'
Woah, woah oh
Woah, woah oh.

And with our feet we stomp a cadence for you.
With our hands up high we're screamin'
Woah, woah oh
Woah, woah oh.
And with our feet we stomp a cadence for you.
Woah.
