Hey yeah hey hey  
Just tell me what's the difference between being myself  
And being oh so together with my thoughts  
I, I cut and stab and make myself  
I cut and stab and make my example

For those about to tell me to  
Ill never listen to you

I'll never go  
I don't wanna know  
I don't need to know  
Why won't you stay  
You're so far away  
I don't need to

This is the part where you take  
You take your place and I just,  
just take mine  
I've never been so sick of  
So sick of seeing you so, you so blind

Of all the things you offer  
To the one who forgot you

I'll never go  
I don't wanna know  
I don't need to know  
Why won't you stay  
You're so far away  
I don't need to

I'll get you back  
'Cause I've been known for sneakin'  
My gettin' my stealin' my revenge

I'll never go  
I don't wanna know  
Why won't you stay  
You're so far away
