Hang loose
Party
Got my head to the grindstone
I'm trying to act like a fool
My head is a lampshade
They can't find me at school
Well I'm an animal
Yes I'm a cannonball
They say I'm out for blood
One thing I wanna do is
Party all night (Oh-oh!)
Party all night (Oh-oh-oh!)
Party all night (Yeah!)
All night long
Driving right way on the wrong side
A bit too much to drink
Women in the backseat
And they don't know what to think
They say I've lost my head
You'll probably end up dead
But they're too blind to see
What's a party to me, yeah, yeah, yeah, yeah
Is to party all night (Oh-oh!)
Let's party all night (Oh-oh-oh!)
Party all night (Yeah!)
All night long
Uh!
Let's have a good time, good time
C'mon
Everybody's parties
I'm on a one way cruise
Lookin' for trouble
We got nothing to lose
They're on the telephone
They're trying to send me home
We're gonna pull the plug
We've got a new kind of school
Let's party all night
Let's party all night
Party all night
Let's party all night
(Yeah yeah yeah yeah yeah)

Let's party all night (Oh!)
(We're party animals, baby)
Let's party all night (Oh-oh-oh!)
(We've got nothing to lose)
Let's party all night
All night long, yeah!

Let's party all night
Let's party boys
