

## Quiet riot "Rise Or Fall"

Visit "[Rise Or Fall](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Take action  
Gotta raise a fist in blood  
Domination  
Can't continue acting like jerks

You show me all there's a chance  
With only words for defence  
There is no freedom to speak, no

Rise or fall  
Number one to take the stand  
Rise or fall  
Take a word from this promised land

Yeah

Your reaction  
Sticks and stones are no match for steel  
This rebellion  
Revolution's in your hands

Now listen

So it's part Apache  
Do you know what that means?  
Is it a segregation?

Rise or fall  
Number one to take the stand  
Rise or fall  
Take a word from this promised land

Strength in numbers can alter your place  
Take the action before it's too late  
Make a stand

Give it up

Rise or fall  
Number one to take the stand  
Rise or fall  
Take a word from this promised land

Rise or fall  
Number one to take the stand  
Rise or fall  
Take a word  
Take a word from this land

Rise or fall  
Rise or fall
