Streets alive
Something in the air
We're writing up
A brand new constitution

Don't want to grow old
Age is in your head
Another boy has soul
His soul for rock 'n' roll

We were born to rock
Pull out all the stops
And we scream, we're the voice
'Cause we made our choice
And that is
We were born to rock

Yeah
Rock 'n' roll
Yeah

Look out

All alone
The party's just begun
No boss to guard
This younger generation

Running out of time
With us there's no control
Rockin' is a crime
Boss man says, "No more"

We were born to rock
Pull out all the stops
And we scream with one voice
'Cause we have the choice
We were born to rock

Rock on

Watch out

We were born to rock
Pull out all the stops
We were born to rock
Pull out all the stops
We were born to rock

We were born to rock
