

Quiet riot "Winners Take All"

Life's been good
Life's been bad
Now I know
What I had
Has taken it's toll on me
Yes we give
And we take
What we get
Is what we make
Believe that dreams come true
Life is crazy
We're not fools, no, no
The price is high
When you keep the score
Take your souls
And your goals
To the top
Together we stand
We won't take no more
Cause we're winners
And winners take all
Together we stand
We won't take no more
Cause we're winners
And winners take all
We have loved
Burned by fate
But for once
Set the record straight
Time does heal all wounds
You have laughed
We have cried
Paid our dues
Yes we're turned the tide
Mistakes are far and few
We need no guidance
Our aim is true
Down the road
There were many tolls
But we know
Cause we've grown
What we need

Together we stand
We won't take no more
Cause we're winners
And winners take all
Together we stand
We won't take no more
Cause we're winners
And winners take all
The price is high
When you keep the score
Take your souls
And your goals
To the top
Together we stand
We won't take no more
Cause we're winners
And winners take all
Together we stand
We won't take no more
Cause we're winners
And winners take all
