the needle on my record player has been wearing thin
this record has been playing since the day you've been
with him no more long rides home no more of your
station i didn't like it anyway.. remember the time we
wrote our names upon the wall? remember the time we
realized thriller was our favorite song? have i waited
too long? have i found that someone? have i waited too
long to see you.. maybe it's for the best maybe it's not
for anything it wouldn't be so bad to take this right
from me how many times i've tried it's simple to
you...so simple to lie blatant mistakes of your design.
