i could stay awake just to hear you breathing watch you smile while you are sleeping while you're far away and dreaming i could spend my life in this sweet surrender i could stay lost in this moment forever every moment spent with you is a moment i treasure i don't wanna close my eyes i don't wanna fall asleep cause i'll miss you babe and i don't wanna miss a thing cause even when i dream of you the sweetest dream will never do i still miss you babe and i don't wanna miss a thing laying close to you feeling your heart beating and i'm wondering what you're dreaming wondering if it's me you're seeing then i kiss your eyes and thank god we're together i just want to stay with you in this moment forever i don't wanna miss one smile i don't wanna miss one kiss i just wanna be with you right here with you just like this i just wanna hold you close feel your heart so close to mine and just stay here in this moment for all the rest of time...
