turn around, look at what you see in her face, the
mirror of your dreams make believe i'm everywhere,
living in your eyes written on the pages is the answer to
our neverending story reach the stars, fly a fantasy
dream a dream, and what you see will be and there
upon the rainbow is the answer to our neverending
story story... neverending story... show no fear, for she
may fade away in your hand, the birth of a new day
lives that keep their secrets will unfold behind the
clouds and there upon the rainbow is the answer to our
neverending story
