Uhhh Uhhh Ohhh!

I Spend my nights alone
Wishing you would come back home (Yeaah)
I Apologize that cuz i know that i have done you wrong
(Yeah)
And i dont wanna spend another day
Thinking about the games i played
Girl im about to go insane yeaah!

Pre Chorus:

Did you get my message shawty
Just called to say im sorry
And i just cant believe
That you just up and leave me
and girl these words are true
i wrote this song for you
So baby tell me what im suppose to do Yeaah!

Chorus:

Im sitting back is waiting for your call back
cuz i know the way i did you was all back
i aint heard from you lately
its driving me crazy
missing my baby ,
its making it hard for me to let you go
its so hard for me to let you go
(Goo ohhh ohhh)
Oooo, i cant let you go just cant let you go
making it hard for me to let you go

Verse one:

i remember when you said
you'll be there always there for me
you know when the times got back you'll never leave
me alone
on the day you left me it ripped me apart
just to thought i'll be without you

girl it tears me in my heart (hey)

Pre Chorus:
