ai ai ai,ai ai ai
i am then reading all your signal size just no more,
u claim u really want my love i am pullingâ€¦
had me now??u said u gonna give me more than your
fault,
i hear these ? when u r talking why uâ€™™ r placing floor
u had in mind,u lost me, such a damned shame,look
what u did to me
u leave that replay,itâ€™™ s xxxx to say?

i am not gonna listen girl ,i am turning off your radio
turning off your radio,i canâ€™™ t take no more
how can even knock the door
u got it go,
i wonâ€™™ t like this word
when u talk, i ignore, donâ€™™ t wanna argue girl i am
turning up your radio,
donâ€™™ t wann listen coz u r screaming like the radio
got a dj telling this is for the radio
telling u r leaving when u hear this on the radio
i am not lying girl i am turing up your radio
i am not fighting for the title girl,winning this war
we play cards,when we make love,wishing this is hard
let me go,u never give me more than your fault,j
ust have the radio u talk too much and close the door.
u had in mind, u lost me,such a damned shame,
look what u said to me,u need that replay,itâ€™™ s xxxx
to say?

i am not gonna listen,i am turning off your radio
turning off your radio,i canâ€™™ t take no more
how can even knock the door
u got it go,
i wonâ€™™ t like this word,
when u talk, i ignore, donâ€™™ t wanna argue girl i am
turning up your radio,
donâ€™™ t wann listen coz uâ€™™ r screaming like the
radio
got a dj telling this is for the radio
telling me u r leaving when u hear this on the radio
i am not lying girl i am turing up your radio

i lost my heart i am losing time, communicate,donâ€™™ t

tell me now
yeah,u claim what u gave me is real
i am closing the door like it knows how i feel
turning off your radio,i can't take no more
how can even knock the door
u got it go,
i won't like this word
when u talk, i ignore, don't wanna argue girl i am
turning up your radio
turning off your radio,i can't take no more
how can even knock the door
u got it go,
i won't like this word
when u talk, i ignore, don't wanna argue girl i am
turning up your radio
don't wann listen coz u scream like the radio
