Happy, happy, everybody's happy
Touch me, touch me, get up and make me feel free
Shake me, shake me, everybody shake me
Party, party, come on and move your body
Everybody, everybody
Everybody, everybody, everybody, everybody

Feel happy, feel happy.
Gotta make me go, you gotta meet me
Gotta make me go, you gotta meet me
Don't you want my loving,
Don't you want my
Don't you want my
No, no, no. We go, you gotta meet me
No, no, no. We go, you gotta meet me

Music, music, everybody music
Do it, do it, get up before you lose it
Raving, raving, everybody's raving
Waving, waving, get up and make me waving
Everybody, everybody
Everybody, everybody, everybody, everybody
