I'm gonna make you a star
I wanna give you all my lovin'
I wanna give you more than something
If you just let me know your feeling
If you just take me to the ceiling
I wanna show you all my secrets
I wanna tell you all my regrets
I see a pocket full of rainbows
I can see all beautiful tomorrows

Gimme
gimme
gimme
When you're talking to me
baby
Gimme
gimme
gimme
When you're walking with me baby
Gimme
gimme
gimme
Just the way that you are
I wanna make you a
I wanna make you a star

Venus and Mars catch the stars
Tuning cars and cocktail bars
Never give up before it's over
Keep on waiting for the supernova
A love is a love forget me not
Everybody's gonna make it to the top
and I want you the way you are
I'm gonna make you Greta Garbo
Marilyn Monroe
Marlon Brando
Jean Harlow
Never give up before it's over
Keep on waiting for the supernova
And I want you the way you are
I'm gonna make you a star

Gimme
gimme
gimme
When you're talking to me
baby
Gimme
gimme
gimme
When you're walking with me baby
Gimme
gimme
gimme
Just the way that you are
I wanna make you a
I wanna make you a star
