I'm gonna make you a star

I wanna give you all my loving
I wanna give you more than something
If you just let me know your feeling
If you just take me to the ceiling
I wanna show you all my secrets
I wanna tell you all my regrets
I see a pocket full of rainbows
I can see all beautiful tomorrows

Gimme gimme gimme
What you're talking to me baby
Gimme gimme gimme
What you're walking with me baby
Gimme gimme gimme
Just the way what you are
I'm gonna make you a
I wanna make you a star
I wanna make you a star, yeah

I'm gonna make you a star

Venus and Mars catch the stars
Tuning cars and cocktail bars
Never give it up before it's over
Keep on waiting for the supernova
A love is a love forget me not
Everybody's gonna make it to the top
And I want you the way you are
I'm gonna make you a star

Giddy why giddy why giddy why hey
Giddy why giddy why giddy why oh
Giddy why giddy why giddy why hey
Giddy why giddy why you gotta let it

I'm gonna make you Greta Garbo,
Marylin Monroe, Marlon Brando, Jean Harlow
Never give it up before it's over
Keep on waiting for the supernova

And I love just the way you are
I'm gonna make you a star
