Alright!!!  
Alright!!!  
I'm ready, man!  
Whoaa yeah!!!

You thought you had found yourself a good girl,  
One who would love you and give you the world.  
Then you find, babe, that you've been misused,  
Come to me, honey, I'll do what you choose.

I want you to  
Well, tell mama  
All about it.  
Well, tell mama  
What you need  
Tell your mama, babe,  
What you want.  
Tell your mama, babe.

What you need  
What you want.  
What you need  
What you want  
Whoa! an' I'll make everything alright.

That girl you didn't have no sense, babe,  
Wasn't worth all the time that you spent.  
That same man he throwed you outdoors,  
I just heard that he quartered your clothes, hey!

Well, tell mama  
All about it.  
Tell mama  
What you need.  
Tell your mama, babe,  
What you want  
Tell your mama, babe.

What you need  
What you want  
What you need

What you want,  
Whoaaa! an' I'll make everything alright, babe.

Whoaa... rock & roll!

... baby,  
Wasn't worth all the time that you spent.  
And that same man that threwed you outdoors,  
I just heard that he torn all your clothes, hey.

Well, tell mama  
All about it  
Tell mama  
What you need  
Tell your mama, babe  
What you want  
Tell your mama, babe

What you need  
What you want  
What you need  
What you want  
Anything I can do  
Anything I can do for you.

Tell your mama, babe!  
Your mama, babe!  
Your mama, babe!  
Your mama, babe!  
HEY your mama, babe!  
Tell your mama, babe!  
Tell your mama, babe!  
Tell your mama, babe!

Hey!

Every time you get lonely, lonely, lonely,  
Every time you get lonely sometime.  
Every time you get lonely, lonely, lonely,  
Every time you get lonely sometime.

Every time you got to cry, cry,  
Every time you gotta cry.  
Every time you got to cry, cry, cry,  
Every day, Lord.

And I'd figured  
I'll tell you, when you go lonely, an' I figure everybody  
does, right?  
Because as a matter of fact everybody does.  
I figure if you're a woman

Man if you're really a woman  
You already know what you need, man.  
You already know what you're looking for,  
Man, i found out out at fourteen years old  
And I been lookin' for it every since, too, man.

But, if you happen to be a young cat,  
You know like about seventeen years old, just about  
If you happen to be a young cat and you ain't figured it  
out yet,  
I'll tell you what you need, baby,  
When you got those strange thoughts in your head  
You got those strange little weirdnesses happening to  
you, you don't know what they are  
I'll tell ya what you need " " " " " "

You need a sweet lovin' mama, babe,  
Honey, sweet talkin' mama, babe.  
You need a sweet lovin' mama, babe.  
Honey, sweet talkin' mama, babe.

You need someone to listen to you,  
Someone to want you,  
Someone to hold you  
Someone to need you  
Someone to use you  
Someone to want you  
Someone to need you  
Someone to hold you  
Someone to want you  
Someone to hold you

You need a mama, mama, mama, mama, mama, baby  
Lordy, mama, mama, mama, mama, mama, mama,  
mama. Mama, mama, mama, mama, mama, mama,  
mama, mama,  
mama, mama, mama, mama, mama, yeah!  
Mama, mama, mama, mama, mama, mama, mama,  
yeah!  
Mama, mama, mama, mama, mama, mama, mama,  
yeah!

Tell mama all about it  
Tell mama all about it  
What you need, what you want  
What you need, what you want  
Anything I can do  
Anything I can do  
Tell your mama, babe

Yeah your mama babe!

Whoa mama babe!  
Whoa mama babe!  
Whoa mama babe!  
Whoa mama babe!  
Whoa mama babe!  
Whoa mama babe!  
Whaa mama babe!

Yeah  
An' I'll make everything alright, yeah!  
Hey! Yeah!

This is a song I heard years ago by the great Nina  
Simone, and I always wanted to do it, so I did it, and  
I'm  
gonna do it again right now.
