I know this tenderly
You're always on my mind
Promise You kono omoi wo shinjite
Tsuyoku nareru yasashiku nareru
Namida sotto fuite

Hoshi mo mienai yoru ni te no nakade
Anata no address saisho ni mitsuketa
Itoshii koe ga kikeru no nara kitto
Nani mo osorenaide nemuru no overnight

[Anata ga suki]
I always wanna be with you
Aenai toki demo kokoro wa tsunagaru
Anata wa ima nani shiteirun darou...
Omoi megurasete All for You

Daremo futari no koto ni furenai kedo
Tokubetsu na koto kitzuiteiru deshou
Ano hikawashita yakusoku wa zutto
Kawaru koto wanaito negau no all the time

[Anata ga suki]
I always wanna be with you
Aenai toki demo kokoro wo tsutaete
Nani ga attemo hanarenai youni to
Omoi wo kasanete All for you

You'll change my world
I'm always on your side
