Well I'm just sick and tired of talkin' on the phone
Sittin' in your room conversin' all alone
Talk Talk Talk Talk Talk Talkin' about everybody else
But what you'd really rather do is talk about yourself
So...

Don't talk to me
Don't talk [x3]

Don't talk to me [x2]

*Not even a word
Not even a whisper
Just button your lips*

*Don't talk to me
Don't talk [x3]*

Ya don't talk to me

*Which you had a case of budding laryngitis
Sittin' in your room with no one there beside us
Sick and tired of listenin' to
Your neurotic shit
So why don't you just shut your mouth 'stead of actin'
like a twit*

*Don't talk to me
Don't talk [x3]*

*Ya don't talk to me
Chi-chi-chi-chi-chi-chi-chi-chatter, chatter, chatter
[x3]*

You talk to me enough but I don't know whats a matter

*With a yak-yak-yak-yak-yak-yak-yak-yak-yak-yak-
yak-yak*

I'd like to tie your hands and feet and put you in a sack

Don't talk to me

Don't talk [x3]

Ya don't talk to me

*Don't talk
Don't talk to me*

Ya don't talk to me

*Don't talk
Don't talk to me
Don't talk*

Ya don't talk to me
