fuck the endangered species list
they ain't got what it takes to survive
dont tell me i can't eat meat
cause i dont need your cruelty jive
i dont like queers i like to shoot deers
pornography, sounds good to me!
BUDWEISER BEER and a record by FEAR
its heaven to me so fuck p.c.
fuck the politically correct
cause thats a contradiction in terms
dont tell me about yer new manifesto
out of my face fucking pencilnecked nerds!
