[Peter Cetera:]

Feel your breath on my shoulder
and I know we couldn't get any closer...

I don't wanna act tough,
I just wanna fall in love
as we move into the night

[Crystal Bernard:]

I get crazy
thinking how it's gonna be with you, baby.
I don't wanna play rough,
I've been loving you enough, oh baby.

[Both:]

I wanna take forever tonight...
Wanna stay in this moment forever.
I'm gonna give you all the love that I've got.
I wanna take forever tonight,
[P:]fill you up, [C:]fill you up with love.
[P:]When we close the door all I need is in [both:]your eyes.
[P:]I wanna take forever tonight.

[Peter:]

Touch my lips, I'm on fire.
You're the only one I'll ever desire.
Turn the lights down low, make the world go slow,
when I'm holding you... Tonight, it's so easy,

[Crystal:]

nothing moves me like you do when you tease me.
And to rush would be a crime,
I just wanna spend some time with you, baby.

[Both:]

I wanna take forever tonight...
Wanna stay in this moment forever.

I'm gonna give you all the love that I've got.

I wanna take forever tonight,

[P:]fill you up, [C:]fill you up,

[Both:]Give you all my love tonight

[P:]When we close the door all I need is in [both:]your eyes.

I wanna take forever

[Peter:]

And when I'm here beside you,

I wanna see what drives you

Out of your mind.

Oh baby,

[Crystal:]

I never wanna leave,

I only wanna be with you

'cause I love how you feel.

Your love is for real

Oh you know,

[Both:]

I wanna take forever tonight...

Wanna stay in this moment forever.

I'm gonna give you all the love that I've got.

Wanna take forever tonight...

Wanna stay in this moment forever.

I'm gonna give you all the love that I've got

[Peter:]

'cause I can't live without you.
