The world is ending  
All will be dead  
So the human race  
Is preparing a total orgy

This is the final orgy, enjoy the final orgy...

Five man in a woman  
All her holes are violated  
Five girls for a man  
They want all his sperm...

Everyone on Earth now fuck  
Waiting the end  
Open asses, wide apart cunts  
Mouths full of sperm.

Violent sex everywhere  
Penetrations in the churches,  
Pleasure for all  
The world is covered by sperm.

Final orgy...
