Slow down
Going out of my mind
But it's fine
I don't mind
I really don't mind it
No fright
Gotta hang tight
Ignite
Come to light
I've got to get it out

You never get me down
I'm always up with
You never get me down
I'm always up with
You never get me down
I'm always up with
You never get me down
I'm always up with
You

I'm always up with you
No matter what you do
I'm always up with you
No matter no matter

It goes straight to your head
Is it save to say it
I wouldn't mind no
I really wouldn't mind it
But I need time
Can't walk on this line
It's too late to resign
And I've got to let you know now

I don't wanna go
Anywhere without you baby
I don't wanna take one step
