## "Brand New Day"

Yesterday I was low, down and out,  
Like my life wasn't something to dance about.  
Could you give me a leg up? I need one  
To get me back in the sun, where I belong.

I know one thing's for sure,  
I'm heading to a new direction.  
Yesterdays are over, hear me, I'm coming.

It's a brand new day and I'm feeling oh, so good.  
It's a brand new day and I'm feeling like I should.  
It's alright, it's alright, it's alright now,  
It's such a brand new day and I'm feeling all so good.

If all these troubles should get to you, too  
Don't you worry, don't get blue.  
Nothing is forever, the tide gets low,  
And someday, soon, you will know where to go.

I know one thing's for sure,  
I'm heading for a new beginning,  
Yesterday's off the door,  
Hear me, I'm coming.

It's a brand new day and I'm feeling oh, so good.  
It's a brand new day and I'm feeling like I should.  
It's alright, it's alright, it's alright now,  
It's such a brand new day and I'm feeling all so good.

Stop, rewind that, put it back to where it started,  
Stop, rewind that, put it back to where it started,  
Stop, rewind that, put it back to where it started,  
Stop, rewind that, put it back to where it started.

It's a brand new day and I'm feeling oh, so good.  
It's a brand new day and I'm feeling like I should.  
It's alright, it's alright, it's alright now,  
It's such a brand new day and I'm feeling all so good
