Baby let's quit playing chess
You've been to my address
You keep checking me out
I wanna get loud
Stop playing mouse and cat
I'm telling you that
I'm gonna win
I'm checking you in

Babe it's my move
Cause we play by my rules
We've got time, got time

I can't do this anymore
Come on baby let's quit
Playing chess

I've been anticipating your move
You're hesitating
Baby I'm waiting, I'm waiting
I'm moving the queen
You know what it means
You're gonna swing
I'm taking your king
