(dancing on the roof of your mind)
oh let me live
in a non-stop crazyshow
from dawn to dusk
on the meadows of happiness
and your billion dollar smile rises up the horizon
in a golden glow
just like the sun in some crazyshow
crazy, crazy...
and i'm dancing on the roof of your mind
in a golden glow...
go west, dreamcar, gas-mask, superstar
war crime, sun sail, big time, blue whale
greatest love on tv, telecom, reality
drag queen, millionaires,
truth machine and teddybears,
boop-a-loola, genocides,
coke & coola, northern lights
red bobs, ocean liner, big knobs, sweet regina
black hole, serialkiller,
nat king cole and wishfulfiller
oh let me live in a non-stop crazyshow
oh let me live in a non-stop crazyshow...
and your billion dollar smile rises up the horizon
in a golden glow
just like the sun in some crazyshow
yes i can see you there (on the roof of your mind)
yes i can see you there (on the roof of your mind)
oh let me live
in a non-stop crazyshow
from dawn to dusk
on the meadows of happiness
and your billion dollar smile rises up the horizon
in a golden glow
just like the sun in some crazyshow...
