When the heat of light melts into the speeding time

When the king returns from the ivory city side.  
Let the magnet-images wave the signals  
Flashing oh so fast

Then you'll meet me there under the moonshine.  
In a lover's heaven  
We'll keep our promises at last

In a lover's heaven  
We'll forget the past.

Do you want to dance  
With me through one of those lonely nights?  
It's more than a dream

Maybe we're reaching the gardens of delight.  
Do you want to dance  
With me through one of those lonely nights?  
It's more than a dream

Maybe we're drowning in empires of delight.

In the stardust dawn underneath the chrystal roofs

Where the solar boys 're playing gamec they never  
loose.  
Where the sailors 're swaying through the lightdomes

Shining from the skies

There you'll meet me  
Daxling  
Anyway.  
In a lover's heaven  
We'll keep our promlses at last

In a lover's heaven  
We'll forget the past.

Do you want to dance  
With me through one of those lonely nights? . . .

In a lover's heaven  
We'll keep our promises at last

In a lover's heaven  
We'll forget the past.  
Do you want to dance  
With me through one of those lonely nights?
