(Lyrics: Janey Diamond / Music: Gold-Echolette)

Emily comes in the morning
Far beyond your alarmclock's theme
Emily 's drawing a picture that you've never seen
Emily 's drawing a picture that you've never seen
She's painting her visions
Emily comes in the evening
And you love that she is near
Cause her delirious silence makes you see
Your life so clear
Emily 's drawing a picture that you've never seen
She's painting her visions
But sometimes at night when you gaze at her sight
You wonder is she real
She never had a word about the things that she heard
Or the sadness she may feel...
Emily comes in the evening...
Oh Emily...
