Sci-fi stars in the postcard skies
White hair, black ties
Riding in atomic jets, high tech
They have crash helmets on
Just like Major Tom
They are the space troopers, super-duper

Ein, zwei, drei, Weltpolizei
24/7 from Heaven
They'll be watching over all of us
The international professionals

Hey you, what to do?
You're high-strung; relax, coo-coo-ca-choo
They'll do the tricks, the Fantastic Six
Come on, don't be hysterical
It's the making of a miracle
Every time they save chicks, the Fantastic Six

Ein, zwei, drei, Weltpolizei
24/7 from Heaven
They'll be watching over all of us
The international professionals
