I am coming down
I was in the dark til the summer

Together we have a chance to start out the dance I'm
falling
And in the burning sun to show everyone, head out the
storm.
I was coming down
I was in the dark til the summer

One two three, you're in love with me
Oh oh
It's imagination
Three four five, way we dive
Oh oh oh oh oh oh

Come on closer, uh uh uuuh
Come on close to me
Jump up on me
Jump in the sea
jump up in
Jump with me
Jump up in
The love sea will be

We be hanging out somewhere in the clubs forever

Play my favorite shoes, just set by the Moon together

As good as it feels, can't be real
Too good to be true,

I was coming down
I was in the dark til the summer

One two three, you're in love with me
Oh oh
It's imagination
Three four five, way we dive
Oh oh oh oh oh oh

Come on closer, uh uh uuuh

Come on close to me
Jump up on me
Jump in the sea
jump up in
Jump with me
Jump up in
The love sea will be

In the tropical paradise
Love can be as cold as ice, oh oh
In the acres of long ago
Stays the feeling I wanna know oh oh

Jump up in
Jump in the sea
Jump up in, uh oh oh
Come on closer, uh uh uuuh
Come on close to me
Jump up on me
Jump in the sea
Jump up in
Jump with me
Jump up in
The love sea will be

Wooh oh oh
