Kings and queens and frogs and princes  
Gnomes and dwarfs and dragons old  
Treasures hidden, golden sphinxes  
Lovely maiden, giants bold  
Hush, my little lovely darlings  
Dream on through the deepest night  
Heres a kiss for each of you  
Wonder where you going to  
When youre sleeping tight  
Return to paradise...  
Sometimes when its really quiet  
I come running to your bed  
Listen hard to hear you breathing  
Stroke your tender little heads  
You are flowers sent from heaven  
On a gentle golden breeze  
Heres a kiss for each of you  
Maoamoondogs singing too  
Lullabies of peace  
Return to paradise...  
On a ship to elfland wonders  
Just a little trip away  
There youre playing in the starshine  
Underneath the milky way  
All the angels in their glory  
Will be watching over you  
Dream on while the stars are falling  
(Falling on you)  
May your dreams come true...
