Say it ain't so, joe, please, say it ain't so  
That's not what I wanna hear, joe and I got the right to  
know  
Say it ain't so, joe, please, say it ain't so  
I'm sure, they're telling us lies, joe,  
Please, tell us it ain't so

They told us that our hero has played his trump card  
He doesn't know how to go on  
We're clinging to his charms and determined smile  
But the good old days have gone  
The image and the empire may be falling apart  
The money has gotten scarce  
One man's word held the country together  
But the truth is getting fierce

Say it ain't so, joe, please, say it ain't so  
We've pinned our hopes on you, joe and they're ruining  
our show

Ooh babies, don't you think we're gonna get burned  
Ooh babies, don't you think we're gonna get burned  
We're gonna get turned  
We're gonna get learned  
We're gonna get burned  
We're gonna get learned

Say it ain't so, joe, please, say it ain't so  
That's not what I wanna hear, joe and I got the right to  
know  
Say it ain't so, joe, please, say it ain't so  
I'm sure, they're telling us lies, joe,  
Please, tell us it ain't so

Say it ain't so, joe..

Murray head/1975
