I've been thinking about you lately
You're on my mind
You do something to me baby
In ways I can't define

Whatever you're doing, you're doing it well
What is your secret, won't you please tell?
'Cause my head is spinning, spinning around
You let me know, boy, I won't let you down

You put a spell on me, I don't know what to do
It's an ability, that draws me closer to you
Your magic has got me where I want to be
Your magic is happening in front of me

There's a power within you, baby
It's controlling me
I know there's no way to fight it
I let it be

Whatever you're doing, you're doing it well
What is your secret, won't you please tell?
'Cause my head is spinning, spinning around
You let me know, boy, I won't let you down

You put a spell on me, I don't know what to do
It's an ability, that draws me closer to you
Your magic has got me where I want to be
Your magic is happening in front of me

You put a spell on me, I don't know what to do
It's an ability, that draws me closer to you
Your magic has got me where I want to be
Your magic is happening in front of me

Can you feel the power lurking, baby girl?
I think the spell is working, ah-oh
Can you feel the power lurking, baby girl?
I think the spell is working, oh

You put a spell on me, I don't know what to do
It's an ability, that draws me closer to you

You put a spell on me, I don't know what to do
It's an ability, that draws me closer to you
Your magic has got me where I want to be
Your magic is happening in front of me

You put a spell on me, I don't know what to do
It's an ability, that draws me closer to you
Your magic has got me where I want to be
Your magic is happening in front of me
