Baby, baby, baby
Why're we acting so loud?
I'm just dying to lose you and shake you out

I just wanted to love you and maybe make it right
But now it's over and it's Friday night

You can say what you want
You can say it
You can say what you want
I'm just not gonna go with you
I'm just not gonna go with you

With you
Until I get round
Til I get round
Until I get round
Til I get round

Suddenly baby, the sound is gone
I just wish I could hold you until it comes back on

You can say what you want
You can say it
You can say what you want
I'm just not gonna go with you
I'm just not gonna go with you

With you
Until I get round
Til I get round
Until I get round
Til I get round

Til I get round
I'm not gonna go with you
Til I get round
I'm not gonna go with you
Til I get round
I'm not gonna go with you
Til I get round

I'm not gonna go with you

I'm just not gonna go with you
I'm just not gonna go with you

With you
Until I get round
Til I get round
Until I get round
Til I get round

Not gonna go with you
Til I get, til I get, til I get round
Til I get round
Til I get round
