I'd like to get to know you, baby  
Touch me, touching you  
If that's what you want to do  
You have to touch me, touching you  
I'd like to get to know you, baby  
Touch me, touching you  
If that's what you want to do  
You have to touch me, touching you

Gonna touch you, baby [x2]

You're still a stranger to me, ba-ba-baby  
Touch number one and the stranger is gone

I'd like to get to know you, baby  
Touch me, touching you  
If that's what you want to do  
You have to touch me, touching you

Gonna touch you, baby [x2]

You're still a stranger to me, ba-ba-baby  
Touch number one and the stranger is gone

I'd like to get to know you, baby  
Touch me, touching you  
If that's what you want to do  
You have to touch me, touching you

Gonna touch you, baby [x4]

I'd like to get to know you, baby  
Touch me, touching you  
If that's what you want to do  
You have to touch me, touching you  
I'd like to get to know you, baby  
Touch me, touching you  
If that's what you want to do  
You have to touch me, touching you

Gonna touch you, baby [x3]  
Baby, gonna touch you, baby

Gonna touch you, baby
