Every day, and every night  
I wonder when I'm lying by your side  
Oh how nice, it would be  
To have a little holiday  
Destination I don't care  
We can go anywhere  
Take me anywhere  
Good times are right ahead  
Reach out and touch it  
Baby touch it  
Vacation, oh-oh-oh  
I wanna go, I wanna go go go  
Vacation, oh-oh-oh  
I wanna go, I wanna go go go  
Why do you, look so grave?  
I've got just the cure for it  
Pack your bags, we got to go  
Baby there's no doubt about it  
Leave your troubles way behind  
We're gon' have a good time  
Have a good time  
By know I think you know  
Sad faces are a no-go  
It's a no-goal.  
Vacation, oh-oh-oh  
I wanna go, I wanna go go go  
Vacation, oh-oh-oh  
I wanna go, I wanna go go go  
Every woman, every man  
Put your feet in the sand.  
Every girl, and every boy  
You're 'bout to enjoy.  
Every woman, every man  
Put your feet in the sand  
And have yourself some vacation!!  
Every woman, every man  
Put your feet in the sand.  
Every girl, and every boy  
You're 'bout to enjoy.  
Every woman, every man  
Put your feet in the sand  
And have yourself some vacation!!

Vacation, oh-oh-oh  
I wanna go, I wanna go go go  
Vacation, oh-oh-oh  
I wanna go, I wanna gooooo!  
Vacation!  
Every woman, every man  
Vacation!  
Every girl, and every boy  
Vacation!  
Every woman, every man  
and have yourself some vacation!!
