Visit "[Xmas](#)" on MotoLyrics.com

If you remember the first time
Remember the night
If we stand together, under the lights
We'll get that old school feelin' back in our hearts
It's ok, it's alright
It's all about giving, give as you get
It's ok, it's alright

Ooh baby, it's been way too long
Go feel the love,
Tomorrow it might be gone
'bout now December is here
We'll make it great like every year

It is Christmas let's do it again
Bring home the good times
...
Everyone's coming
So let the love in

There's a party at my house
That's where is at
And if the snow starts falling
Everybody's talking how the spirit is back
